**Hear the Word**

1. What is this passage telling me about who God is (His character, actions, attributes, Word)?
2. What is the main purpose of this passage, and does it bring other passages to mind?

**Do the Word**

1. How do my actions, thoughts, words or emotions need to change in light of this passage?
2. What is this showing me that I need to give God thanks and praise for?
3. Do I see any other way that this should impact my worship of God?
